

The image shows a template for an 8x12 inch bike flag. The template is a trapezoidal shape with a rounded top-left corner and a pointed right side. It is defined by a solid black outline. Inside this outline, there is a red dashed line representing the 'Imprint Area' and a blue dashed line representing the 'Bleed Area'. The bleed area extends further outwards from the imprint area. The text 'Imprint Area' is written in red at the bottom left, and 'Bleed Area' is written in blue at the bottom left. The text 'To be used properly, this template must be opened in a vector based graphic program like Adobe Illustrator.' is located in the upper left quadrant. Below it, the text '8" x 12" Bike Flag Template (100% Scale)' and 'BIKE-812T' are displayed. Below that, the text 'Imprint Area: 13" x 7.75"' is shown. At the bottom left, there are two notes: '- Keep all artwork away from the edge (reflected by the red dotted line) of the template.' and '- Any artwork that is intended to run off the edge requires bleed past the edge (reflected by the blue dotted line).'. Below the notes, there are three bullet points: '- Use ONLY Pantone Solid Coated colors', '- Convert all text to outlines', and '- Use ONLY Pantone Solid Coated colors'.

To be used properly, this template must be opened in a vector based graphic program like Adobe Illustrator.
