

A diagram of a stick flag template. It features a vertical pole on the left side with a circular top cap and a rounded bottom. The flag itself is a rectangular area on the right, defined by a solid black border. Inside this border, there is a red dotted line representing the imprint area and a blue dotted line representing the bleed area. The text and notes are located within the imprint area.

To be used properly, this template must be opened in a vector based graphic program like Adobe Illustrator.
