

The diagram shows a trapezoidal shape representing a windsock template. It features three distinct boundaries: a solid black line for the outer edge, a red dashed line for the imprint area, and a blue dashed line for the bleed area. The imprint area is a smaller trapezoid nested within the solid line. The bleed area is the region between the solid and blue dashed lines. Text instructions and notes are located in the upper left portion of the template.

To be used properly, this template must be opened in a vector based graphic program like Adobe Illustrator.

18" x 48" Windsock Template (100% Scale)
WIND-18X48
Imprint Area: 21.25" x 44"

Notes:

- Keep all artwork away from the edge (reflected by the red dotted line) of the template.
- Any artwork that is intended to run off the edge requires bleed past the edges (reflected by the blue dotted line).
- **Use ONLY Pantone Solid Coated colors**
- **Convert all text to outlines**
