## Backpack Flags

Includes:  
Backpack  
4 Pole Segments  
Flag

1

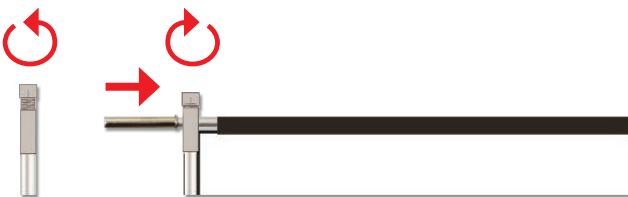

Pole Segment 4 - Pole Segment 3

Assemble sectional pole pieces by placing end to end – largest to smallest.

2

Slide the banner onto the pole via the pole sleeve, starting from the small end. Be sure to feed the hardware all the way through the sleeve, to the tip of the banner.

3

**If using a Rectangle Banner**, open the screw at the top of Pole Segment 3. Slide Pole Segment 2 through the loop of Pole Segment 3 and the upper sleeve of the flag. Tighten the screw.

4

Insert the bottom of Pole Segment 4 into the centered upper mount on the front side of the backpack until snug.
