

INSTRUCTIONS

Mini Teardrop with Clip

Includes:
Sectional 2-Piece Pole
Plastic Clip

1

Connect the sectional pole pieces together.

2

Slide the banner onto the pole via the pole sleeve.

Note: Be sure to feed the hardware all the way through the sleeve, to the tip of the banner.

3

Attach the loop at the bottom of the banner to the knob near the bottom of the sectional pole piece to secure the banner in place.

4

Squeeze the clamp at the bottom of the sectional pole piece to open it up and attach it to a surface.
