

INSTRUCTIONS

Traveling Trunk Table Stand

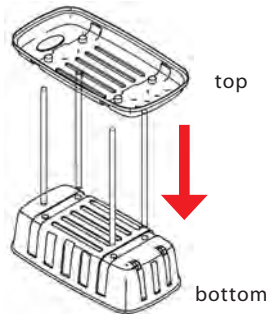

Includes:
Plastic Trunk
Table Base
Aluminum Legs
Table Top

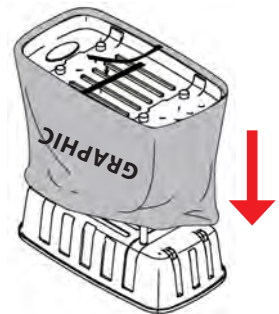

1

Remove straps, open trunk and remove parts. Turn trunk bottom upside down. Push legs into holes located on the trunk bottom.

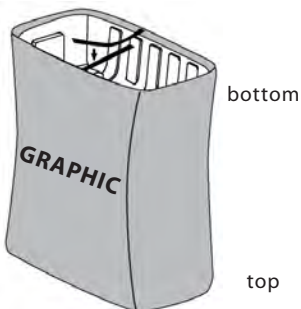

2

Place trunk top above legs. Align legs with holes in trunk top. Push trunk top down to firmly anchor on legs.

3

Place graphic material upside down starting at the trunk top. Attach Velcro straps around the trunk top. Slide graphic downwards.

4

Rotate entire stand 180° so that graphic is now right side up. Pull graphic up and over trunk bottom and attach Velcro straps.

5

Place table top lid on top of stand and press down.
